Professional Summary

Aspiring DevOps and Cloud Engineer with strong foundations in Linux system administration, cloud computing, containerization, and automation. Certified Red Hat System Administrator and Engineer with hands-on experience in monitoring, alerting, and infrastructure management. Passionate about designing scalable, resilient systems and improving CI/CD workflows. Seeking internship or entry-level opportunities in DevOps, SRE, or Linux administration.

Technical Skills

Cloud & DevOps: Linux Administration (RHEL), AWS, Docker & Kubernetes, Ansible Automation, CI/CD Pipelines (Jenkins, GitHub Actions, GitLab CI/CD), Bash/Shell Scripting, Grafana, Prometheus, Power BI

Emerging Technologies: Generative AI, Cloud Computing Concepts

Soft Skills: Problem Solving, Team Leadership, Project Management, Quick Learner, Teamwork

Certifications

- Red Hat Certified System Administrator (RHCSA) – Red Hat
 - Red Hat Certified Engineer (RHCE) – Red Hat
 - Cloud Computing – NPTEL, IIT Kharagpur
 - Ultimate AWS Certified Cloud Practitioner (CLF-C02) – Udemy
 - Getting Started with Microsoft Azure – LinkedIn Learning
 - Build Your Generative AI Productivity Skills – Microsoft & LinkedIn
 - Introduction to OpenShift Applications (D0101) – Certificate of Attendance
-

Projects

Self-Healing Linux Server Monitoring and Alerting System

Monitors the health of Linux servers (disk usage, CPU, services), sends alerts, and automatically fixes common issues to ensure uptime and reliability.

Technologies / Tools: Linux, Bash Scripting, Cron Jobs, Grafana, Prometheus

GitHub: <https://github.com/SAI-GODGE/Major-Project->

Smart Compliance Monitoring System

Tracks hand hygiene compliance among hospital staff via automated hardware monitoring and data logging.

Technologies / Tools: Hardware Sensors, Data Tracking, Automation

Education

Bachelor of Technology (B. Tech) – Computer Science & Engineering

Maharashtra Institute of Technology, Chhatrapati Sambhajinagar

Affiliated with Dr. Babasaheb Ambedkar Marathwada University, Aurangabad

Duration: 2023 – 2027 | **CGPA:** 8.5

Achievements & Volunteering

- Campus Ambassador – AKAAR, IIT Bombay
 - Campus Ambassador – E-Cell, IIT Guwahati
-

Languages

- Marathi – Native / Fluent
 - English – Intermediate (reading, writing, communication)
-

Hobbies & Interests

Exploring new technologies, cloud computing trends, DevOps automation, and reading technical blogs.
